### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Victoria A Silcott on 04/10/2007.

The application has been amended as follows:

In claim 27, line 1, delete " A prosthetic device for soft tissue augmentation" and replace it with:

An endoprosthesis for soft tissue filling

In claims 29, 31-33, 35-40, 44, 48-51, line 1, delete "prosthetic device" and replace it with :

endoprosthesis

In claim 52, line 2, delete "a prosthetic device" and replace it with :

an endoprosthesis for soft tissue filling

The following is an examiner's statement of reasons for allowance: The closest prior art is that of Brunstedt which surrounds its polyacrylamide composition with a hard tissue compatible shell. Brunstedt therefore teaches away from using the composition directly on tissue. The instant prosthetic device is neither disclosed nor suggested by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Carlos A. Azpuru whose telephone number is (571) 272-0588. The examiner can normally be reached on Tu-Fri, 6:30 am - 5:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Woodward can be reached on (571) 272-8373. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
